All tuition fees are inclusive of the costs of textbooks, arts and crafts supplies, student accident insurance, and all field trips within Macao. Additional costs may be payable for extra-curricular programs, overnight field trips, and additional materials. Beginning in 2008-2009, all students in Grades 5 to Grade 12 will be required to participate in a local or international Experience Week activity. Students will be responsible for the fees associated with their chosen trip/activity during Experience Week.

Lunches, school uniforms and school bus service need to be paid directly to each supplier by the parent/family.

Effective September 2004, TIS was recognized by the Macao Education Department for fee subventions for Macao resident students. Macao resident subventions are for Macao ID cardholders only i.e. parents whose children qualify for government education and other available support benefits.

The Macau Government is presently maintaining the existing subvention levels as set out below.
B. Discounts & Allowances

1. **Founder Student Discounts**

2. **Discounts for families with more than one child in the School**
   a. The second child receives a discount of 5% on annual fees.
   b. The third or more children receive a discount of 10% on annual fees.

C. Payment of Fees

3. When a student enters the School other than at the beginning of a school term, tuition fees will be calculated on a pro rata basis, provided that if a student enters the School during the period from the 1st to the 14th day of any month, the total tuition fees for a full month will be charged for such month; or if entry is during the period from the 15th to the end of any month, a half month’s fee will be charged for such month.

7. If school fees are late more than 10 days, a non-refundable late fee of MOP500 will be charged.

8. If tuition fees remain unpaid at the end of the school term, the School will consider the student withdrawn and in the event that the student wishes to return to TIS, they will be required to meet admission requirements once again (admission test and fee) and all outstanding fees must be paid. A school place for the following school term will not be held for any student with unpaid tuition fees.
